# About us

Vendor Trading W.L.L. is a company specializing in medical and furniture supplies, offering a wide range of products including medical devices, equipment, consumables, laboratory devices, dental materials, instruments, disposables, and healthcare and general furniture.

Founded in 2022, we have quickly built a reputation for trust, quality, and reliability.

We are committed to staying at the forefront of scientific and medical advancements, ensuring our clients receive the best possible products and service.

Our aim is to provide long-term growth and value to our customers by transforming innovative ideas into actionable solutions. With exceptional service and a committed team of professionals, Vendor Trading W.L.L. is set for continued growth and expansion.

# Chair Person

Since its founding, Vendor Medical Trading has been a leader in providing top-quality medical services and products, setting high standards for the industry. Our success is driven by a commitment to excellence, innovative thinking, and careful resource management.

Our vision is to become the leading healthcare provider in Qatar, establishing a new benchmark for the industry. With a dedicated management team and a highly skilled workforce, we are committed to providing exceptional service to every client in Qatar.

I extend my sincere thanks to our valued customers and business partners for their continued trust in Vendor Medical Trading, and to our dedicated team for their hard work, commitment, and dedication.

**SHEIKHA NOORA AHMED KH A AL THANI**

# Managing Director

Vendor Medical's mission is to empower customers and the community by providing exceptional resources and services. As a leading medical services solutions provider in Qatar, we offer state-of-the-art infrastructure, premium medical and industrial facilities, and cutting-edge technology, significantly contributing to the advancement of the nation's scientific and healthcare sectors.

Beyond serving the community, we are dedicated to improving all aspects of healthcare. By translating innovation into transformative solutions, we aim to deliver sustainable growth and value to our customers.

We are committed to staying at the forefront of emerging trends in the scientific and medical fields to offer our clients the best possible solutions.

**HEILA SOWAYED S JOHAR**
